

A2 LEVER DRUM PUMP

MULTI PURPOSE (A2-51)

**10 Year
Warranty**

*conditions apply

PRODUCT OVERVIEW

The A2-51 is a reliable trusted oil transfer pump to handle most fluid viscosities with the ability to handle a wide variety of non-corrosive fluids or solvents.

Supplied with a 1.8m delivery hose and metal nozzle this pump is designed to handle most drums from 60lt up to 205lt using a telescopic suction tube and 2" bung adaptor.

The easy lever-action dispenses up to 250ml per stroke with the added feature of a high viscosity setting on the handle for those thicker oils or cold-weather applications.

The nozzle holder guards against siphoning when primed and an in-built drum bung wrench makes this pump a must for every workshop or tool-store.

FEATURES & BENEFITS

TECHNICAL SPECIFICATIONS

Suitable for use with 60L - 205L drums
Delivers up to 250ml per stroke
